A

FIFTH ORDINARY SESSION

22 March 2016

Brussels

After a minute of silence, in tribute to those who lost their lives in the Brussels terrorist attacks of 22 March 2016, Co-Presidents of the Euronest PA Ms Heidi HAUTALA and Mr Victor DOLIDZE extended their condolences to the families and friends of the victims:

“We are deeply shocked at the horrific events that have taken place in Brussels today.

We extend our condolences to all the families and dear ones of the victims.

These coward terrorist attacks highlight that cooperation between EU-members and their neighbours is more needed than ever to create stability and security on our continent. Only together can we defend our common European values of freedom, the rule of law and human rights which are the basis for a safe society.”
